Dear Parent and Caregivers

It was gratifying to talk with parents last night about the way HOW2Learn is being implemented at Jamberoo PS and how it can assist student learning. Thank you to Mrs McCormack and the parents who were able to attend. Over the next few weeks we put more information in the Newsletter and on the school website.

At assembly this week we will be introducing the Learning Habits Awards. There are twenty learning habits, which are grouped into five dispositions of learning. The habits assist the development of emotional, cognitive, social, strategic and ethical resources to assist all learners. We will focussing on one disposition per term, starting in Term 4, 2015 until Term 4, 2016. This term we are focussing on explicitly teaching Self-regulation.

Self-regulation is promoted through the super hero Rezilia. Rezilia can handle herself when things get tough. She can ride the waves of life and can bounce back when things don’t go as planned. She is tough and resilient. She will persist to get the job done. She can filter the distractions around her and she keeps her eyes watchful for details she can use. The four learning habits she represent are:

Managing Distractions, Absorption, Mindfulness and Resilience.

We will be focussing on one learning habit per fortnight, starting with Managing Distractions.

Managing distractions can be verbalised by:

- I can recognise and manage my distractions
- I use my time well and know many strategies that help me focus on task
- I use tools that help me get the task done such as checklists, smaller goals or visual organisers.

We are very excited about the introduction of the Learning Habits and hope the students, staff and parents can use them to assist effective learning.

Thank you to staff and students for welcoming Jamberoo Pre-school students into their rooms this week.
Arts Grant
We are looking for parents/community with interests or talents in art to form a committee to develop an Arts Project for Jamberoo. The first meeting will be held in the staff room at 3.10pm next Wednesday, 21st October. Please come along to this meeting with ideas for Art in the form of canvas, mosaic or any other media you might like to suggest with ideas to develop a project for 2016.
Mrs Hammond-Warne
Principal

Stage 2 –Festival of Choirs – Sunday 25th October
Thank you to the 12 students who have signed up to represent our school in the choir at the Festival of Choirs. I am concerned, however, that we really do not have enough students to produce the kind of sound that we are aiming for, so if anyone else in Stage 2 is available, please, please consider joining us on 25th October by letting me know you can attend!
Many thanks,
Mrs McCormack

Music Night for Term 4 – change of date!
After letting everyone know our date for Music Night – Wednesday 2nd December – I have since been told that this is the Year 7 orientation night for Kiama High. So we are moving Music Night to the next night – Thursday 3rd December - and moving the time back to 6:30 pm to allow for those who play Oztag on Thursdays to make it back. Thank you for understanding!
Mrs McCormack

Production Props Needed
Our production props team is hard at work producing props for our school play. However, we would appreciate your help with sourcing the following items:

*a toy sheep
*an old black or brown briefcase – the kind that will open up 90 degrees
*a large jelly mould

We promise to take care of these items and return them to you.
Please see me if you can help.
Mrs McCormack

Walk-a-Thon
What a fun day was had by all at our Jamberoo Walk-a-Thon. Congratulations to the hard-working walkers at Jamberoo Public School, who put a huge effort into raising funds and clocking up many, many laps in our hour and a half on Friday. We had students manage as many as 14km in this short period of time! The SRC will be prioritising their equipment list to work out how many things we can afford for our school when all funds have come in. Could all students please collect their sponsorship money and return it with their form to the office no later than Wednesday the 21st of October.

Debating
As we have the Stage 3 Gala Day on Friday, Debating will not be on this week, but will resume next Friday. Please keep checking into Edmodo and researching for our potential topics, everybody.

Production Tickets on Sale
TICKETS will be on sale for Murder At Hotel Crumbhorn tomorrow, from the school office. Seating will be allocated as tickets are purchased so be quick to buy yours! Prices are $8 per adult and $5 for school students and seniors. Please see the attached poster for further details.

Presentation Day Guest Speaker
We are currently looking for a speaker for this year’s Presentation Day. If you can suggest a person please contact Mrs Xuereb with details. Previous orators have included ex students, school captains and local residents.

Save the Date
Presentation Day - Friday 11th December.

ETHICS CLASSES – ADDING YEAR 4 AND BEYOND IN 2016
Jamberoo Expressions Of Interest

Dear Families,

We currently have Ethics classes available for years K-2. From Term 1 2016 it is envisaged classes will be available for Kindy, Years 1+2 and now 3+4. Ideally we could also offer a class for Year 5+6. This will be determined by Teachers available and Expressions of Interest numbers.

YOU MUST COMPLETE THE FORM BELOW if your Child will be entering Year 4, 5 or 6 in 2016 and you have not yet previously expressed your interest.

We can increase Ethics classes at Jamberoo if we can show demand. Please let me know if you are interested in choosing Ethics for your child by returning the slip below by Tuesday 20/10/15.

We are seeking individuals from our school and local community to train as teachers. If you or someone you know are interested in more information about training and the teaching role, go to www.primaryethics.com.au Click Become a Teacher to find out what’s involved or contact Tania McInnes: 0415 923 025 tpdmcinnes@outlook.com

Background:
Ethics classes are available in NSW public primary schools as an option for children who do not attend Special Religious Education (SRE) / Scripture. The NSW government has authorised Primary Ethics, a not-for-profit organisation, to design curriculum and deliver these classes. Classes are inquiry based and children use dialogue and discussion to learn how to think about ethical matters through the give-and-take of reasoned argument.

For general information about Ethics classes and Primary Ethics including video clip and Curriculum Information: www.primaryethics.com.au or email any questions to info@primaryethics.com.au

Carol X
SSE/ SRE Coordinator

Please return this form if choosing Ethics for your child by 20/10/15
