Dear Parent and Caregivers

Jamberoo remains busy yet committed to academic excellence. Staff are involved with How2Learn and implementing the 2015-2017 school plan, which is on the website.

Staff and students are indeed very busy, as per usual. The last 4 weeks Term 2 has and will provide a wealth of opportunities for our students, including: Stage 3 overnight excursion, Dance Festival, reports, AFL final for the Stage 3 girls, Musica viva, Production, Athletics Carnival preparation, supervising university students, preparing for interviews, SIMF and Jamberoo Jabber. Jamberoo students are very lucky to have such a dedicated staff.

Ms Hammond-Warne
Principal
Canberra Excursion

Canberra was so fun (only because of Mrs Kunkler and Mrs Behl-Shanks). I loved it. I got to spend time with my friends! We did so many activities. We woke up at 6.10am every morning which wasn’t fun but Canberra was fun.

Gemma Boughen

In week 7, stage 3 went on a camp to Canberra. Everyone had a great time at Flip Out and Ice Skating. We went to Parliament House and saw Ann Sudmalis do her speech. We also went to the A.I.S, Questacon and The War Memorial.

Hamish Forbes-Brown

I liked going to camp because it felt like magic. The ice skating and flip out was the best. I enjoyed Questacon because I learnt about science.

Renee Weir

On camp we firstly went to the Parliament House. we even met our federal member Ann Sudmalis. We did ice skating which was fun and Question which was amazing. Best camp ever!!

Mitchell Smee

Canberra was the best! Ice skating was my favourite activity. Molly and I are skating buddies. We did so many awesome things: Flip Out, Questacon, Cabins, Ice Skating, A.I.S, Parliament House AND MORE!!

Inaia Janssens

On the 3rd June we left for Canberra. These are somethings we did, Ice Skating, Flip Out, Questacon, Parliament House, A.I.S, The War Memorial and lots of other things.

Brady Delamont

Camp was great because we got to go to Questacon. The cabins were also great. I like seeing Parliament House.

Alex Mills

1. On camp we learnt many things at Parliament House e.g. everyone is there for 2.00pm because it’s question time. As a bonus, we met our local member of parliament Ann Sudmalis.
2. We went to Questacon with fun science stuff.
3. We went to Flip Out with a foam pit.
4. We also went ice skating and fell over

Brandon Smith

It was very fun. The War Memorial was very sad and happy at the same time. The stories behind the medals and the plans and the food were very interesting and also funny at times. Lest we forget.

Keturah Fitzgerald

Canberra camp was very fun. We learnt lots of new things in places like Questacon, Parliament House, A.I.S and more. I learnt lots of new things and also had lots of fun. Canberra was a time to bond with friends. Canberra was a fun learning experience. I loved Canberra.

Sophie Short

We arrived at the ice skating rink at 7.00pm. We were cold but super excited. It was really fun and everyone had fun even though we fell over a lot. Then we left at 9.00pm to go back to the cabins and have a good night sleep. Best camp ever!

Evie Heyblok

At camp we went to Questacon. It was really interesting because there was heaps of cool science things. There was an earthquake house and there was a caged lightning room. I think they were the best. We also went on a big slide.

STRIVE AND SUCCEED

STAGE 2 CHOIR FAMILIES
I would like to remind all Stage 2 families whose children are participating in the SIMF choir that a blue note went home last week with information about our preliminary rehearsal and a permission note for you to return to school. Our rehearsal is at Mt Terry Public School, Albion Park on Tuesday 23rd June (week 10), from 9:00 am to 2:15 pm. We are using parent transport for this excursion. Please see the note for full details. See me or Mrs De Las Heras if you need another copy of the note.

Mrs McCormack
Stage 2 choir teacher

VIRTUE - FRIENDLINESS
Friendliness begins with liking yourself and believing you have something to share with others. Be kind to people you don’t know. You can be friendly just by walking down the hall, looking into people’s faces and smiling. They will probably smile back.

JPS SCHOOL PRODUCTION
Actors, please continue to learn your lines. Our rehearsals have commenced at lunch times, and it is hoped that you will be very familiar with your lines and cues. We will also be gathering names for those wishing to be part of the props and musical teams next week.

MULTICULTURAL PERSPECTIVES PUBLIC SPEAKING FINAL
Next Thursday we will be sending our four representatives to Illaroo Road to present their speeches at the zone final of the competition. We wish Inaia Janssens, Molly Parrish-Gibbons, Ruben Janssens and Monika Mitrevska all the best and the gift of the gab!

JAMBEROO JABBER
Please encourage all students to write and rehearse their speeches for the annual Jamberoo Jabber competition. The speeches will be presented in Week 10 for Nuninoona and in Week 1 next term for the rest of the school. A note explaining the topics and guidelines was sent home this week. Please see Mrs Behl-Shanks if you require any further information.

P&C NEWS
Dance festival is fabulous for our stage one students; best of luck and no doubt the large group of Jamberoo students who will be at the matinee, will show their appreciation of the hard work put in by Ms Hammond-Warne and Students. Please read on for a summary of the P&C meeting last night.

1. Our guest Hayley Dean from Kiama High School gave an informative talk covering academic, sport, band, Singing, drama, Art and how school life is structured and supported by the teaching staff. Our parents had questions, which were answered thoughtfully, and we were all appreciative of Hayley’s time.

2. Naomi gave an update on the Nuninoona Monster guessing Competition; so far we have raised $1,100. This is awesome; please remember to return sold books to the office.

3. Megan has been working on our P&C Policies, which will be uploaded on the School web site. We will be seeking feedback, as it is important that our Policies reflect the School community.

Our next meeting is on Wednesday 29th July in the School staff room. Please email agenda items to jamberoosecretary@gmail.com. We would love to see more parents attend our meetings.

Susan Mills
