Dear Parent and Caregivers

Dance Festival last week was once again a highlight of our Jamberoo calendar. Congratulations to Stage 1 for their wonderful performances and fantastic behaviour. They were wonderful ambassadors for Jamberoo Public School and Mrs Xuereb and I were very proud of them. Equally the students who attended the Arts excursion to the Wollongong Library and Art Gallery and then watched the Dance Festival matinee were praised for their wonderful cooperation and behaviour throughout the day. Dance students were given details to be able to order photos of the day, which are usually outstanding. Videos are also available. If you didn’t receive this information, please contact the office.

Student reports were sent home today. I would like to acknowledge the professionalism and hours spent by Jamberoo staff on these reports. They reveal a wealth of information about the progress of students. Please remember that the expected achievement level is ‘C’, which means sound. This says that your child is achieving the outcomes expected at this stage. Interviews will then allow discussion of ways to further develop and assist students and reinforce their wonderful achievements. Reports across the state remain quite varied at this stage due to the new curriculums that have been introduced over the past two years. A DEC committee is currently meeting to set guidelines for schools. Our school reports across the classes will also vary in a number of ways, particularly with reporting to History, which is not mandatory until next year. Some units have been taught at Jamberoo during Semester 1 and this will be reflected on the report while other classes may not see a History comment or grade until Semester 2 or even until 2016.

Condolences and our thoughts and prayers go to Mrs Xuereb and her family with the passing this week of Mrs Xuereb’s mother. It is always difficult to lose a loved one. Mrs Xuereb will now hold her parent / teacher interviews next term.

A Jamberoo we strongly encourage 3-way interviews as the interview is about the student and it is important that they are involved with feedback. If there is a sensitive item you or your child’s teacher would like to discuss, students can be asked to leave towards the end of the session. I look forward to seeing you all next week or during the first two weeks of Term 3.

There will be no assembly tomorrow but next week’s school assembly will be a big one with Stage 1 performing their Dance Festival item.

We will go ahead with our back up date, Wednesday 24th June as stated in the permission note. For parents who have indicated that they will be available to help, please let Mrs Kunkler know if your availability has changed due to the new date.

Please encourage all students to write and rehearse their speeches for the annual Jamberoo Jabber competition. The speeches will be presented on Monday for Nuninoona and in Week 1 next term for the rest of the school. A note explaining the topics and guidelines was sent home this week. Please see Mrs Behl-Shanks if you require any further information.
