Dear Parent and Caregivers

Welcome to Education Week! As previously mentioned the highlights of this week for Jamberoo students are the District Carnival, Open Day Assembly and our combined KLCoPs day in Hindmarsh Park on Friday. We look forward to seeing many of you at these special events as we celebrate Public Education together. Unfortunately Mrs McCormack is unable to attend Open Day due to circumstances out of our control. We are attending Phase 2 of HOW2Learn, the dates of which were altered at the last minute. As Mrs McCormack is the staff trainer of this important Professional Development she felt it was important to attend the full 2 days of training. We thank her for her continued commitment to the education of Jamberoo students.

Welcome back to Mrs Behl-Shanks and a big thank you to Mrs Martin for her excellent teaching and care of Nuninoona during Mrs Behl-Shanks absence.

Last night at the P & C Meeting the new classification structure for schools and principals for 2016 was discussed. Firstly I wish to assure the Jamberoo school community it will mean minimal changes for Jamberoo Public School. Secondly, it is too early at the moment to say exactly what will be happening in 2016. The Department of Education has promised to provide principals with more information during the second half of this year. I will endeavour to keep the community informed of the specifics affecting Jamberoo Public School as I become more acquainted with them.

Come on boys and girls, read those books and enter them on the PRC site! Only a few weeks left now.
Remember Book Week is also coming up in August, so start working on a costume for the Parade. I am sure there will be some fascinating characters.
